V700

The V700 Junior range has been developed to put children in the frame making exercise a fun activity. The bike is equipped with our safety pedals and handle bar mounted brake system, and is best used in circuit classes.

Most children prefer short periods of any activity and in the circuit class you can combine 3-4 activities and manage a group of 20 children with only 5 bikes.

Instyle have a whole range of children's programmes to fit the classical school holidays (2 or 6 weeks) or on going programs which are ideal for after school clubs.
